

How to Find a Provider in Your Area

1. Go to www.aetna.com
2. On the right side of the page under "shortcuts" choose *Find a Doctor*
3. Under the *General Search* section, click the type of *Geographic search* you would like to conduct. *Zip Code* is the most commonly used.
4. Enter the *Zip Code, City or County* based on your previous selection.
5. Choose the *Distance, City Name or County Name*.
6. Choose the *Provider Category*. Ex: *Medical Providers; Dental Providers*
7. Choose the *Provider Type*: Ex: *Primary Care Physicians; Primary Care Dentists*
8. Choose the *Plan*: Ex: *Managed Choice POS (Open Access); Dental PPO/PDN*
9. *Additional Search Criteria* is optional. This feature allows you to narrow your search by *Name, Specialty, Language, Gender or Hospital Affiliation*.
10. Once complete, click on *Start Search*
